

# Cain Photography

I offer a complete service for individuals or businesses and I am prepared to travel to suit your needs. All of the prices that I quote here are as is. There are no extra fees or charges.

Each photo shoot I do includes the following at no additional cost to you:

- Printed photographic proofs for you to choose the final prints from
- Five free 8"x10" photographic prints

There are a variety of framing options which can be tailored to your specific needs. This includes but is not limited to adding titles, borders, coloured mounts and specific woods. All images will be professionally mounted and framed if you request a framed print.
